LETTER DATED 7 JULY 1993 FROM THE PRESIDENT OF THE SECURITY COUNCIL ADDRESSED TO THE SECRETARY-GENERAL

The members of the Council have considered your report of 1 July 1993 on options for the deployment of international observers on the borders of the Republic of Bosnia and Herzegovina (S/26018 and Corr.1). They continue to believe that, in order to facilitate the implementation of the relevant Security Council resolutions, international observers should be deployed on the borders of Bosnia and Herzegovina, with priority being given to the border between the Republic of Bosnia and Herzegovina and the Federal Republic of Yugoslavia (Serbia and Montenegro).

Bearing in mind the observations in your report, they invite you to contact Member States in order to establish whether they are ready, individually or through regional organizations or arrangements, to make qualified personnel available to act as observers along the borders of Bosnia and Herzegovina and to continue to explore all possibilities for implementation of the border monitors concept. They also invite you to pursue the question of implementation with a view to obtaining full cooperation from the authorities in the neighbouring countries.

The members of the Council look forward to receiving further information on the contacts proposed in the previous paragraph, as well as reports pursuant to operative paragraph 2 of resolution 838 (1993) concerning material derived from aerial surveillance.

(Signed) Sir David HANNAY
President of the Security Council
